## SECRETS BEHIND VIOLET EYES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.When Carson agreed to take on the trio s third summer mystery, he had no idea what dangerous adventures it would bring. Withholding the time and place from his friend, Levi and cousin, Emma was wrong, but Carson didn t want to risk their refusal. In his mind, the decision to time travel to a place not found on Earth s atlas, was the right thing to do. In addition, it was the request of a ghost, who gave them the time travel rings in the first place. Upon the trio s arrival, they meet a thirteen year- old girl named Alina, who calls herself the guardian of Labora. Upon their entrance into a unique tree city, a number of inhabitants mysteriously become ill. During efforts to discover the origin, Carson finds a red gemstone which belonged to Alina s mother before she was killed by a nearby clan. Things take an unexpected turn when Alina transfers her guardian powers to Carson just before she is abducted. Their investigation becomes a rescue mission against time, against century old evils, and against horrors living within a treacherous world where Carson, Emma and Levi are considered intruders. The trio s quest to save their new friend and save her people, faces them with only two outcomes, do or die.
