Arcadia Publishing (SC), United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Scotty s Castle is a study in contrasts, much like its setting in Death Valley. While the castle is known worldwide and has been visited by hundreds of thousands of tourists, many myths persist. It is not a castle, nor was it owned by Walter E. Scott, known as Death Valley Scotty. But the Spanish-style hacienda, also known as Death Valley Ranch, has always been linked to Scott. This book explores the fascinating history of Death Valley Scotty, Albert and Bessie Johnson (the true owners and builders of the castle), and the castle itself from construction to private living quarters to a tourist facility owned and operated by the National Park Service.
