Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Revised. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Fragmented Glory RE (Revised Edition) is a combination of two books: Foot Prints of Red, White, and Blue and MilSpec Short Stories. Because of the popularity with those books, the author integrated their works into one single book. Three additional stories were added along with several more photos. Those changes and additions created a more enhanced book than either of the two previous ones by themselves. Stories of the military, from the training camps to the war zones, fascinate most everyone. Yet beyond those sacrificial battlefield tales are logistic and resourceful ones. Fragmented Glory RE was scripted to provide readers with quality stories of military adventure in the guarded format of its two predecessor books by capturing a few patriotic stories; those with unusual accounts from mission assignments. Drafted mostly from the author's experiences, the stories within this book range from humorous to serious, from planned to unforeseen, from routine to the heroic, and even ricochets into the unknown realm of UFOs. This book also explores a brief superficial look into some eventful historical chronicles such as MilSpecs, dog tags, the P-38 field can opener, MM candy, helmets, ID cards, the Jeep, and more very unusual accounts. Fragmented Glory RE also contains one additional chapter its predecessor book did not have - Wounded Warriors.
