THAT MYSTERY CALLED LIFE: A COMPILATION OF TRUE SPIRITUAL EXPERIENCES THAT DEMONSTRATE THE POWER OF GOD (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Read about someone born with a generational curse and the demons responsible for the various curses. The torment, oppression and persecution experienced in her lifetime. In this book the author seeks to demonstrate the awesomeness of God, the Great Creator of the Heaven and Earth. This awesomeness is demonstrated by true situations in which God saves the narrator from danger and death at different times in life. The book describes the re-creative and restorative power of God. The lifespan of seventy years is chosen to describe what could take place in a person's life whether that individual is born with a blessing or a curse. Childhood, teen, adulthood, middle age and old age are all described in the life of a blessed individual as opposed to the life of a cursed individual. The work of Satan, his demons and agents are described in the life of a person who serves the living God. The study of Demonology is advocated for people who need to understand what takes place in the spiritual realm: as people seek to attain wealth, riches, power and success by way of Wicca, blackmagic, voodoo, negromancy, obeah and other diabolical means. Verses of scripture are quoted from the Holy Bible Authorized King James Version to strengthen the observations of the author and narrator. The attainment of wisdom, knowledge and understanding that come with maturity and old age give rise to retrospection. In concluding the lifespan of an individual, the author sees everything as vanity and wonders why an individual even bothers to struggle for success in life.
