## MAY YOU LIVE IN INTERESTING TIMES: MY 1960 S (PAPERBACK)

BookBaby, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. I spent the entire decade of the 1960s following the leadership of the Greatest Generation in military college (Virginia Military Institute) and the Army. Therefore, I concede, my recollections are a little lopsided. Yes, I missed the college free speech campaigns and the Woodstock revivals of the 1960s. My stories are mainly about the Cold War and the occasional Hot War (Vietnam) against International Communism. It was a different world in the 1960s. More so than just through the innocence and enthusiasm of youth. There was a real threat to America and the world from international communistic aggression. In American society, abortion was illegal, and divorce was rare. Society ostracized teenage pregnancies, and most teenagers had never heard of marijuana. All that would change by 1969 and the end of the decade. The movements for racial equality and free speech on college campuses got their start in the early 1960s. There was social turbulence and change throughout the nation. Upon graduation from college and receiving my commission as a second lieutenant of Infantry, I attended the Infantry Officer Basic course in preparation for service with troops. The first real crisis was the Cuban Missile Crisis, which fortunately was resolved when Russia agreed to withdraw their missiles from Cuba. This was followed shortly thereafter by the assassination of President Kennedy in November 1963. The nation had heard little of Vietnam until the presidential elections of 1964. President Kennedy was dead; candidate Goldwater was a war monger, and President Johnson promised that only Asian boys would fight Asian wars. President Johnson won the 1964 election in a walk. By 1965, President Johnson had decided that American boys could fight Asian wars after all, and shortly thereafter, the Vietnam War...
