Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. It is May 1560. As sinister storm clouds gather overhead, 26-year-old Queen Elizabeth dispatches William Cecil, her most trusted adviser, to Scotland for crucial negotiations. Handsome, ambitious Lord Robert Dudley is at her side. But their leisurely midsummer idyll is cut short when the court's master lutenist plunges to his death from a parapet beneath the queen's window. The loyal retainers of Elizabeth's privy council do not accept the official verdict of accidental death. Their fears are borne out when another tragedy rocks the realm, and points the way to a conspiracy to bring down Elizabeth and seize the throne. As ill winds of treachery swirl around the court, and suspicion falls on those within Elizabeth's intimate circle, a vengeful enemy slips from the shadows—a traitorous usurper who would be sovereign. With *The Twilight Tower*, Karen Harper brings a legendary era to life, drawing us into an intoxicating world of majesty and mayhem, political intrigue and adventure where danger is everywhere and where a young queen journeys to greatness in the long shadow of her bloodstained past.
