ENOCH AND THE PLEIADES: ASTRONOMY CONFIRMS THE BOOK OF ENOCH (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It is the scholarly view that the Book of Enoch is written from about 300 BC to 50 BC. Thus, if they are right, the Book of Enoch must be a forgery, as it itself says that it is written by the preflood patriarch Enoch, thus making it the oldest book in the world. As a Bible believing christian, you must consider why then the brother of Jesus, the apostle Jude, did quote this forgery. Either he and the whole bunch of apostles (because they too, were in-fluenced by the Book of Enoch) were foolish enough to buy this false book - or it must be older than what the scholars say, and written by the one it says is the author: Enoch himself. What if it could be proved that the Book of Enoch IS older than what the scholars say? What if this book in itself can prove it? Because if it was written 5000 years ago, wouldn't there be some traces in it (geographical, or astronomical), perhaps hidden to people in the centuries before Christ, but possible for us in our technological time, to discover? I believe that I have found such evidence - evidence that proves beyond doubt, that the Book of Enoch IS 5000 years old, and I m going to tell about it in this book, and how I discovered it. In this book, you will learn, 1. How Enoch was taken by the angels of God to Antarctica, and from there to the Pleiades, to see the place where the 7 primeval angels are imprisoned, and where the corrupted watchers were to be bound. 2. The location of Tartarus, the...
