

## Walden; Or, Life in the Woods.by: Henry David Thoreau (Paperback)

Filesize: 5.95 MB

### ***Reviews***

*Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.*

**WALDEN; OR, LIFE IN THE WOODS.BY: HENRY DAVID THOREAU (PAPERBACK)**

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Henry David Thoreau (see name pronunciation; July 12, 1817 - May 6, 1862) was an American essayist, poet, philosopher, abolitionist, naturalist, tax resister, development critic, surveyor, and historian. A leading transcendentalist, Thoreau is best known for his book *Walden*, a reflection upon simple living in natural surroundings, and his essay *Resistance to Civil Government* (also known as *Civil Disobedience*), an argument for disobedience to an unjust state. *Walden* first published as *Walden; or, Life in the Woods*), by noted transcendentalist Henry David Thoreau, is a reflection upon simple living in natural surroundings.[2] The work is part personal declaration of independence, social experiment, voyage of spiritual discovery, satire, and (to some degree) manual for self-reliance. Thoreau also used this time to write his first book, *A Week on the Concord and Merrimack Rivers*. First published in 1854, *Walden* details Thoreau's experiences over the course of two years, two months, and two days in a cabin he built near Walden Pond, amidst woodland owned by his friend and mentor Ralph Waldo Emerson, near Concord, Massachusetts. The book compresses the time into a single calendar year and uses passages of four seasons to symbolize human development. By immersing himself in nature, Thoreau hoped to gain a more objective understanding of society through personal introspection. Simple living and self-sufficiency were Thoreau's other goals, and the whole project was inspired by transcendentalist philosophy, a central theme of the American Romantic Period. I went to the woods because I wished to live deliberately, to front only the essential facts of life, and see if I could not learn what it had to teach, and not, when I came to die, discover that I had not...
