Vintage Publishing, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. Ernest Hemingway witnessed many of the seminal conflicts of the twentieth century, as a Red Cross ambulance driver during the First World War and during his twenty-five years as a war correspondent. This edition offers an unparalleled portrayal of the physical and psychological impact of war and its aftermath. It contains extracts from *A Farewell to Arms* and *For Whom the Bell Tolls*, some of Hemingway's very best short stories, his only full-length play, *The Fifth Column* as well as selections from his wartime journalism. *Hemingway on War* represents the author's penetrating chronicles of perseverance and defeat, courage and fear, and love and loss in the midst of modern warfare.
