The Multilingual Mind: Issues Discussed by, for, and About People Living with Many Languages (Paperback)

By Tracey Tokuhama-Espinosa

ABC-CLIO, United States, 2003. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The bulk of the world's population is multilingual, and one in seven Americans speak a language other than English at home. Multilinguals crave answers to questions both basic and profound, questions relating to linguistic identity, schools, multiliteracy, how languages are actually learned, and why there are so many variations on individual success. Tokuhama-Espinosa combines solid research, humor, and real-life examples into 21 informative and entertaining essays about people who experience the world with multiple languages. This book tackles common misconceptions about polyglots (too many languages can cause brain overload, some languages are easier to learn than others, an adult cannot learn a foreign language as fast as a child, etc.) Other topics include: * Curriculum choice * Teaching languages using the multiple intelligences * How different education systems can influence multilingual skills * Language's relationship to mental tasks such as music and math * Languages from the womb and bilingualism from birth * The growth of the trilingual family * The societal situation of third culture kids (those growing outside of their parents' native country) * A special case for foreign...
