

America s Main Street Hotels: Transiency and Community in the Early Auto Age (Paperback)

By John Jakle, Keith Sculle

University of Tennessee Press, United States, 2009. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. In small cities and towns across the United States, Main Street hotels were iconic institutions. They were usually grand, elegant buildings where families celebrated special occasions, local clubs and organizations honored achievements, and communities came together to commemorate significant events. Often literally at the center of their communities, these hotels sustained and energized their regions and were centers of culture and symbols of civic pride. America s main street hotels catered not only to transients passing through a locality, but also served local residents as an important kind of community center. This new book by John A. Jakle and Keith A. Sculle, two leading experts on the nation s roadside landscape, examines the crucial role that small- to mid-sized city hotels played in American life during the early decades of the twentieth century, a time when the automobile was fast becoming the primary mode of transportation. Before the advent of the interstate system, such hotels served as commercial and social anchors of developing towns...
