Note: The book containing Volume 2 also includes Volume 1. Everett s Ultimate Commentary of the Bible is an exhaustive commentary with explanations of the contextual, scriptural, and historical significance of verses, and with scientific and philosophical insights to augment the reader s understanding of scripture and of the world around us. This first volume of the commentary, covering Genesis Chapter 1, explains in in-depth detail the creation of the cosmos so that no question is left unanswered, no mystery left unsolved. This commentary is meant to be useful to all Christians in all walks of life--and to the curious non-Christian who wants to better understand the Biblical creation account. In order to write this commentary, the author has diligently studied scriptures and past Bible commentaries, in addition to consulting dozens of scientific sources, which have been carefully double-checked for accuracy. The author hopes that this commentary will be the only one you ll ever need to read. Its comprehensive and all-encompassing nature is guaranteed to satisfy your search for knowledge.
