

The Future of Freedom: Illiberal Democracy at Home and Abroad (Hardback)

Filesize: 3.18 MB

Reviews

Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Annette Boyle)

THE FUTURE OF FREEDOM: ILLIBERAL DEMOCRACY AT HOME AND ABROAD (HARDBACK)

DOWNLOAD

WW Norton Co, United States, 2003. Hardback. Condition: New. Language: English . Brand New Book. A modern classic that uses historical analysis to shed light on the present, *The Future of Freedom* is, as the *Chicago Tribune* put it, essential reading for anyone worried about the promotion and preservation of liberty. Hailed by the *New York Times* as brave and ambitious, updated Tocqueville, it enjoyed extended stays on the *New York Times*, *Wall Street Journal*, and *Washington Post* bestseller lists and has been translated into eighteen languages. Prescient in laying out the distinction between democracy and liberty, the book now contains a new afterword on the United States' occupation of Iraq. Intensely provocative and valuable, according to *BusinessWeek*, with an easy command of history, philosophy, and current affairs, *The Future of Freedom* calls for a restoration of the balance between liberty and democracy and shows how politics and government can be made effective and relevant for our time.
