Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.

AuthorHouse. Paperback. Condition: New. 296 pages. Dimensions: 8.8in. x 6.0in. x 0.8in. A dramatic shift in medical care is from a disease-centered to a health-centered model. This shift arises from consumer attraction to complementary therapies (holistic, more natural and empowering) and from dissatisfaction with the cost, side effects and mistakes of conventional medicine. Obstacles on the pathway to health enrichment include overeating (portion distortion) and under exercising, overuse of fast food, credit card debt and dependence on a pill for every ill. Enriching Health: Examines why alternative therapies are gaining credence among MDs and consumers. Explores how alternative therapies came of age in the decade of the 1990s. Provides information on medical insurance plans offering alternative therapies. Predicts energy medicine will grow dramatically in the near future. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
