Xulon Press, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Why is it so difficult to live the way the Bible teaches? Why don't things work out when we try to be truly holy? Why does the world give us so many problems? If you've struggled with these kinds of questions, there are answers. Walk the path of Spiritual Restoration. You will discover that our frustration and confusion often comes from our Greek worldview. God has a completely different perspective, but if we try to live with one foot in the Greek world and one foot in the Hebrew world, we feel compartmentalized, fragmented and defeated. We have unconsciously worked against ourselves by trying to make God fit the Greek model. All of that can change today! Spiritual Restoration reveals the startling differences between these worldviews. Now we can begin recovery and restoration where living the biblical worldview makes sense for what we need today. Author, teacher and consultant, Skip Moen has five degrees including a Ph.D. from Oxford University. With more than twenty-five years of business entrepreneurial development, Skip provides consulting that helps organizations align their leadership and operations with Biblical principles. He is the Dean of the Department of Biblical Leadership at Master's International Divinity School and the author of *Words to Lead By*, a study of Jesus leadership. Skip achieved the American dream of independent wealth only to discover a life of pointless affluence. God radically changed his direction, exposing the myth of security in a Greek-based culture. Now he wants to recover the foundation of God's point of view for living. Subscribers to his web site (receive a daily word study focused on personal application of the depth of God's word....
