

Sir Francis Drake (Paperback)

By John Sugden

Vintage Publishing, United Kingdom, 2006. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. More than four hundred years after his death, Sir Francis Drake remains one of the legendary figures of history. His career is one of the most colourful on record. The most daring of the corsairs who raided the West Indies and Spanish Main, he led the English into the Pacific, and circumnavigated the world to bring home the Golden Hind laden with Spanish treasure. His attacks on Spanish cities and ships transformed his private war into a struggle for survival between Protestant England and Catholic Spain, in which he became Elizabeth I's most prominent admiral. His exploits marked the emergence of England as a major maritime nation.

Reviews

An exceptional pdf and the typeface employed was fascinating to see. Better then never, though i am quite late in start reading this one. Your daily life span will be transform as soon as you total looking at this publication.

-- **Dale White**

It in one of the most popular book. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
