BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 48 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. Pursuant to a congressional request, GAO reviewed the factors that have contributed to the delays and cost increases in the Diplomatic Security Construction Program, focusing on the: (1) extent of the delays and cost increases and the reasons for them; and (2) adequacy of the State Departments management of the program. GAO found that: (1) although State reorganized its Office of Foreign Buildings Operations (FBO), contracted for construction support services, and authorized FBO to add 133 new staff positions at the beginning of the Diplomatic Security Construction Program, it made only limited progress in implementing the program and did not have reasonable assurance that its security construction program objectives were being met; (2) as of September 1991, of 57 projects planned, only 7 had been completed, 8 were under construction, 14 were in site acquisition, under design, or out for architectural and engineering selection, and 28 were on hold, deferred, or cancelled; (3) such factors as difficulties in filling authorized FBO staff positions, the division of responsibility between FBO and the Bureau of Diplomatic Security for construction security management, poor program...
