Creative Homeowner, United States, 2012. Paperback. Condition: New. Green ed.. Language: English . Brand New Book. Whether a building contractor s next project is a single-family home, a multi-family home, or a small office, this book is the place to start the firm s research effort. Any one of these easy-to-build plans can be built with all the national brands small contractors have come to love and trust at Lowe s. That s everything they need, from framing lumber to siding, to flooring and paint. Contractors will appreciate the easy-to-build standard frame construction of these plans and the smart thinking behind them. All plans have been designed to use a single plate height and dimensional lumber. Three foundations are included to suit just about any lot and local site condition: slab on grade; crawlspace, and full basement.
