Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In her book, Be. Do. Have. A Crash Course in Reality and Creating the Life You Choose, Melody A. Martin takes her readers on a journey through the realms of manifestation by way of scientific exploration and philosophical inquiry. Through the use of insightful anecdotes and analogies based on scientific premises, she exposes the underlying physical principles of our universe and discusses a framework through which we can utilize them as a means to influencing and altering our own lives. With easy to digest discussions ranging from Quantum Physics and Quantum Field Theory to Neuroscience and Cognitive Science, she paves the way for her readers to understand that whatever their Vision for their life may be, they are powerful enough to create it, and then she shows them how. A book for all people, no matter their background, story, or personal identity, Be. Do. Have. A Crash Course in Reality and Creating the Life You Choose offers all readers the chance to dive into some of the deepest questions humanity has ever asked, and then empowers them to embrace this magnificent and mysterious life with curiosity, wonderment, and inspiration.
