*Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## ON SIBYL S SHOULDERS: SEEKING SOUL IN LIBRARY LEADERSHIP (PAPERBACK)

Scarecrow Press, United States, 2005. Paperback. Condition: New. New. Language: English . Brand New Book. Discussing the many elements of library leadership from a variety of perspectives including ancient, contemporary, and feminist and interwoven with candid insights and ideas of professional library leaders, this volume presents a unique and moving account of library leadership as it is today. By employing interviews with library leaders to investigate motivation, energy, passion, creativity, and vision, Brockmeyer-Klebaum provides richness and depth to discussions on leadership elements, such as managing competing demands on time, energy, and attention. Also, by exploring leadership from within the ranks, the author provides the ways and means of leading from the middle and managing your boss. Lastly, this work examines emerging leadership through an investigation of Northern Exposure to Leadership (an institute for new Canadian librarians) and Snowbird Leadership Institute (its American counterpart). Taken together, this book, grounded in experience and steeped in authenticity, is a refreshing look at library leadership.
