

## Portfolio Assessment and Performance Testing, Pamphlet 10 (Paperback)

By W. James Popham

Pearson Education (US), United States, 2011. Paperback. Condition: New. 2nd edition. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Different curricular aims call for different assessment strategies, as this booklet, Portfolio Assessment and Performance Testing, readily explains. Read on for step-by-step guidance about how to create these two types of essential assessment tools, as well as a frank discussion of the pros and cons of each. The Mastering Assessment series is a set of fifteen practical, easy-to-use booklets covering a wide range of topics related to educational assessment and accountability. These groundbreaking booklets put the most relevant information on assessment at teachers fingertips and provide an important resource for educators looking to learn the ins and outs of becoming assessment literate. Paired with the series Facilitator s Guide (available for download at no additional charge from Pearson s Instructor Resource Center), Mastering Assessment is the perfect tool for building assessment literacy either in self-study or a professional development program. Don t miss all the books in the Mastering Assessment Series by W. James Popham: \* Appropriate and Inappropriate Tests for Evaluating Schools\*...
