Hope and Healing During the Holidays has been written for anyone in bereavement. If you are suffering with grief after losing a loved one, this book can help you. Your loss may have been recent or many years ago. You may have lost someone to death, a separation, or divorce. Maybe you are coping with loss due to the death of a spouse, a parent, a sibling or maybe grieving after losing a child. Sometimes the grieving process can be even harder during the holidays. This book focuses on giving you many thoughtful insights and helpful strategies on dealing with bereavement before, during, and after the holidays. You will see that during the grieving process there is neither a right way nor a wrong way to deal with your grief. The grief stages and time frames vary for everyone and depend upon many different factors. Information has provided throughout the book from professionals who work with grieving individuals on a daily basis, as well as people who have been through the grieving process themselves, including the...
