Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. With strength, wit, rakish charm, and a talking sword named Hrym, Rodrick has all the makings of a classic hero except for the conscience. Instead, he and Hrym live a high life as scoundrels, pulling cons and parting the weak from their gold. When a mysterious woman invites them along on a quest into the frozen north in pursuit of a legendary artifact, it seems like a prime opportunity to make some easy coin especially if there s a chance for a double-cross. Along with a hooded priest and a half-elven tracker, the team sets forth into a land of witches, yetis, and ancient magic. As the miles wear on, however, Rodrick s companions begin acting steadily stranger, leading man and sword to wonder what exactly they ve gotten themselves into. From Hugo Award-winner Tim Pratt, author of *City of the Fallen Sky*, comes a bold new tale of ice, magic, and questionable morality set in the world of the Pathfinder Roleplaying Game.
