## LECTURES ON THE COUPLING METHOD (PAPERBACK)

Dover Publications Inc., United States, 2002. Paperback Condition: New. Language: English . Brand New Book. An important tool in probability theory and its applications, the coupling method is primarily used in estimates of total variation distances. The method also works well in establishing inequalities, and it has proven highly successful in the study of Markov and renewal process asymptotics. This text represents a detailed, comprehensive examination of the method and its broad variety of applications. Readers progress from simple to...
