Leadstart Publishing Pvt Ltd, India, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Friends are forever and life is worth nothing without them. They share feelings that they cannot share even with their families. It is their shoulder that you can rest upon to get rid of all your restlessness. It is their lap on which you can shed your tears, and that person will never stop you from doing so. The beautiful gift that I have received in my life is my precious friends. The story revolves around four friends specially Nikhil, the storyteller, who lived a messed up life. He leaves home because of differences with his family. He gets confused between his love and friendship with a girl. Every human being is destined to do many things in their life, while some people do have control over their lives in a way that they can fight with their fortunes. You can say Luck Favours Them . But with four of them, it was the other way round. Fate changed their lives completely ? fate that they did not anticipate, which took them on a journey that totally changed their lives. Destiny played its puppet show with them. What they thought did not happen, but what they tried to do happened exactly opposite to their thoughts.
