He wants revenge against the brothers who betrayed him but first he has to get past the one man he can't resist. . . At the tender age of eight, Rafe Barretti lost everything. His parents, his childhood, his innocence. And the brothers who were supposed to protect him let him go instead. Twenty years later and he's finally ready to exact his revenge by taking away everything they hold dear - their company, their reputations, their futures. But even that isn't enough - their loved ones will have to pay too and all their precious secrets are fair game. Former mercenary Cade Gambles only job is to take down the hacker stealing sensitive, private information from Barretti Security Group and Cade is damn good at his job. But there's more at stake because the co-founders of BSG, Dom and Vin Barretti, are like family and no one touches Cade's family. The fact that the vengeful young man turns out to be the youngest of the Barretti clan doesn't matter. But when their tumultuous encounters turn into something more, Cade will have to decide between protecting the only family he has and giving in to his need to save Rafe from himself. Can Cade help Rafe find redemption so he can forgive the sins of the past or will Rafe's quest for vengeance destroy them both? Note: This book contains explicit MM content and is intended for mature audiences. Trigger Warning: This book contains references to abuse that may be disturbing for some readers. Although this book is part of a series, it can be read as a stand-alone. No cliffhangers. Barretti Security Series Book 1 - Loving Vin (MF)...
