Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Immediately the children of Israel came out of Egypt, three months after, He renewed covenant with them. God demanded from them obedience as a requirement to enter the Promise Land, to become a nation. Any individual, family or nation that demands freedom, blessing and recognition as a nation from their oppressor or recognition by the international community without repentance from idolatry or having a relationship with God through obedience is a mistake. You as a person, family, group or tribe, need to obey and keep your promises to God as a covenant child before He can fight for you.
