Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Since the emergence of the very first societies, humankind has been faced with one essential question: Does liberty work? From the tribal governments created by people of the ancient world to the monarchies of Europe, the most commonly held belief in the history of civilization has been imposing a centralized, all-powerful government is the most effective way to govern. Even today, billions of people throughout the world live under the control of a well-armed, all-powerful group of rulers that grant rights to the people when it s convenient for the rulers. These are the ideological shackles the American Founding Fathers worked so hard to rid themselves of in the 18th century. The freedom they won for their descendants has unleashed a tidal wave of innovation and prosperity unparalleled in world history. Despite their achievements, however, the debate over the role and power of government has once again shifted in favor of those who endorse a system run by thousands of central planners and faraway bureaucrats. Just as the Founding Fathers had to convince their neighbors in their own era of the...
