Ignatius Press. Paperback. Condition: New. 200 pages. To the modern mind, the concept of poverty is often confused with destitution. But destitution emphatically is not the Gospel ideal. A love-filled sharing frugality is the message, and Happy Are You Poor explains the meaning of this beatitude lived and taught by Jesus himself. But isn't simplicity in lifestyle meant only for nuns and priests? Are not all of us to enjoy the goodness and beauties of our magnificent creation? Are parents to be frugal with the children they love so much? The renowned spiritual writer Dubay gives surprising replies to these questions. He explains how material things are like extensions of our persons and thus of our love. If everyone lived this love there would be no destitution. After presenting the richness of the Gospel message, more beautiful than any other world view, he explains how Gospel frugality is lived in each state of life. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
