That a pulping plant and wet press be installed at this central station and pulp made up in wet sheets of various grades and that bids be asked for on the wet sheets by grades. Under this plan the estimated increase of net proceeds over the present plan would be \$31,273.27 per annum. 3. That a Government plant be installed for the purpose of making paper from this waste. Under this plan the estimated increase of net proceeds over the present plan would be \$105,712.76 per annum. The commission recommends that the first plan be adopted for the fiscal year beginning July 1, 1913, and that during that year the second and third plans be given further consideration. Present Method of Collecting, Handling, and Disposing of Waste Paper. The methods of collecting waste paper in the various departments are almost as numerous as there are departments. In some bureaus the messenger force picks up waste paper; in other bureaus the waste paper is picked up by the char force; in some bureaus laborers do the collecting. This is also true of the handling. In some bureaus the paper is baled, while in others it is put in storerooms in burlap bags and those filled bags carted away by contractors. In some bureaus the waste paper is assorted, while in others no assorting...
