Captain Enrique (Henry) Horta was born the third child of the Horta Family in Ventura California. He lived in various places such as, Los Angeles, San Diego, Mexico, Germany, Mauritius, New Zealand, Japan and Jordan. While spending some of his teen years in Mexico he learned about survival and the importance of appreciating and doing the best of what resources he had. When he returned to California he was a skinny kid with dreams and plans to be a Pilot, traveler and adventurer. His wild dreams of becoming an Astronaut and going to the moon where replaced by more realistic dreams such as wanting to become an Airline Pilot. When he turned 18 years old he parted from his parents and had to join the working rat race starting out as a bag-boy at a local Safeway store. His plans to finish College were halted by his traveling bug so he took a break from school, sold his motorcycle, and went back-packing to Europe with only 1, 000 Dollars in his pocket, a Euro-Pass train Ticket for a month, and a return airplane ticket home. Unexpected fatherhood in Germany at a young age made him become more responsible and serious about his dreams. When he returned to California he was now a young family man while working as a carpenter in construction and attending evening University and Flight School on weekends. His positive thinking methods, scholarships, grants, and student loans paid off and he graduated with an Airway Science Degree in addition to all his Pilot ratings and Certificates. Thereafter, his life became more of an adventure and he travelled around the world working for various Airlines as a Contract Pilot. This item ships from multiple locations....
