By Taliba Falaq-Lockhart

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.On a cold winter January day, 1995, suddenly a powerful force of misty white, cloudy-looking substance swiftly swirled around Taliba like a whirlwind and lifted her upward, higher and higher into the sky until she found herself standing inside of God Himself. He was more real than anything she had ever known. For the first time in her life she felt totally loved, whole and free with unspeakable joy, like she was finally at home where she belongs. It was the most powerful experience she ever had in her life; but as powerful as that experience was it did not stop Taliba from committing the one sin she said she would never commit; and when Taliba postponed, delayed listening to God's tender warnings, as a result, she plunged deeper into sin and suffered mental torment and terrifying consequences. Nevertheless, because of the great Love of a Mighty and Compassionate God He threw out the Lifeline and drew her in from sin and danger back to peaceful shores.
