Partridge India, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The old-fashioned storyteller in today s setting is how I would like to be known best as an author. My self-coined genre is called Human Relationships, under which I aim to write engrossing stories with profound meanings that could possibly change your life. The wordings are simple, some have the ethnic charm to it that helps to transport you into the setting especially created for you. There are lessons behind lessons, stories behind stories, plots after plots. A simple life that began in the small villages of Bassi and Nagri in Rajasthan, unfolds into a labyrinth of twists and turns, spreading its wings all the way to New Delhi, the capital of India.
