LUNA S JOURNEY (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. Luna has been on her own since she was fourteen; working was the only thing she had ever done. Passing her state board license test to be a cosmetologist was her goal, which she did on her eighteenth birthday! She always wanted to do something with hair it, was her specialty. She had a special talent of mixing color and transforming her clients from plain Jane to perfection. Luna is a very talented stylist that had a great eye. Each customer that crossed through her salon, she would tailor a cut to flatter your face, your personality, and when it came to make-up, she was an artist. Luna had no life; she was a very controlling person, hands on owner. She was the first one to arrive and the last to leave, with five employees at her shop. She had no time for a boyfriend, or a vacation. She did take time out for friends. Next door to her Salon was her favorite tattoo salon a place, to relax, play, and listen to music. Luna loved hair, music, and ink so it is no wonder she became close friends with the owners, Cecilia, Dany. Watson was one of the artist there. The only three people that Luna would let put any ink on her.
