Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Two 11-year-old movie loving, filmmaking, troublemakers come into possession of a mysterious camera that seems to have magical powers and a mind of its own. The movies they make always get them in some kind of trouble but with the weird camera in hand they re ready to create chaos of epic proportions. But even their parents couldn t have anticipated the kind of trouble Billy and Iva cause while filming Raptor Quest, the first film of a planned trilogy about raptors on the rampage near North Hollywood, California. The trouble starts while they re shooting a scene of raptors sneaking up on Dodger Stadium. Billy s a master of cheap special effects and is shooting the scene using 102 two-inch tall rubber raptors and the new camera he and Iva bought at the Rose Bowl Flea Market. But once the camera starts rolling the little raptors start biting! The stuff really hits the fan when a Santa Ana wind scatters the little beasts all over Southern California. Disaster in Disneyland! Havoc in Hollywood!.
