A new book on this subject can never be out of season; provided it is written in a loving and appreciative spirit, always will it find readers, although it may contain nothing particularly original or striking. Year after year the trees bud and blossom, and put forth leaves and fruitage; year after year the beautiful flowers carpet the woodlands afresh with variegated dyes, paint the meadows with delight, and make the earth one blooming garden; year after year the sweet spring calls forth the native songsters to renew their interrupted melody, and the air is windowed by countless wings of the feathered voyagers, who pass the winter in warmer climates; and always is the fresh verdure, the unfolding of the flowers, the burst of vernal melody, and all the lovely sights and sounds, and indications of reviving nature, a source of delight..
