

The Doorway (Paperback)

By Evelyn E Smith

AEGYPAN, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It is my theory, Professor Falabella said, helping himself to a cookie, that no one ever really makes a decision. What really happens is that whenever alternative courses of action are called for, the individuality splits up and continues on two or more divergent planes, very much like the parthenogenesis of a unicellular animal. Since most decisions are hardly as momentous as the individual imagines, Professor Falabella continued, and since the imagination of the average individual is very limited, many of these different planes -- or, as they are colloquially known, space-time continuums -- may exist in close, even tangential relationship. A man may wish he d married his first love and not really mean it. But an insincere wish may turn ugly in dimensions unknown.
