Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. In her latest forays into the American scene, Joan Didion covers ground from Washington to Los Angeles, from a TV producer's gargantuan manor to the racial battlefields of New York's criminal courts. At each stop she uncovers the mythic narratives that elude other observers: Didion tells us about the fantasies the media construct around crime victims and presidential candidates; she gives us new interpretations of the stories of Nancy Reagan and Patty Hearst; she charts America's rollercoaster ride through evanescent booms and hard times that won't go away. A bracing amalgam of skepticism and sympathy, *After Henry* is further proof of Joan Didion's infallible radar for the true spirit of our age.
