SAND DEEP (PAPERBACK)

AUTHORHOUSE, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The book is about a young man s struggle into adulthood. His mind questions spirits of theology on the reason for ignorant western cultures on Eastern Time and how to best handle himself from them. This is a story that teaches patience and fills attributes in handling time whilst waiting for death. This young lad waits in darkness and death and within the dark he feels safe while he waits. Playing his thumbs and fingers, he waits and feels the earth move and he prays in darkness as well as in kindness. Further in the darkness he has learnt the righteousness of maintaining his reason to kill. As this young man ages, he finds himself vowing to his brother to save his life and provide joy from the temptation over suicide off a bridge. An inspirational book using reason of theology behind political issues, what is well will stay and what is not well will not even be re-incarnated. The political message in the book shows this lead character deciding to love the children in The New World that he is forced into or love them less and watch them play ball in his repentance. This is a strong heart filled novel that will place emphasis on how we are all to stand together. Through this man s journey others can learn to love. The story embraces love between families, friends, relationships, brotherhood and God. Devotion and hope is scattered mostly throughout the book as the stars are in the universe. All in which to wait and see for the lead character to cut his loses and switch all off or keep Nirvana stretching.
