Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

PRACTICAL ENGLISH GRAMMAR (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Practical English Grammar The purpose of this book is to discuss the elements of English grammar in a clear and simple way, with the end in view of promoting the development of better language habits in the pupil. Grammar as a science is subordinated herein to grammar in its practical aspects. In method and treatment the book is adapted to the grammar grades, but it presupposes an acquaintance with the rudiments of the subject as acquired in connection with language lessons. The formal study of grammar, the author believes, should not begin before the seventh year. The book consists of two main divisions. Care has been taken, that, as far as possible, illustrative and exercise matter shall be pleasing and inspiring, concrete rather than abstract, and of a practical nature. Formal exercises in classification are employed only so far as they are deemed essential to the understanding of important laws and principles. At the end of each chapter are exercises in review of all information of practical importance presented in the chapter. There...
