Createspace, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is a course workbook for the Iridology Certification Correspondence course. The price includes: A complete color iridology workbook with detailed information to become certified as an Iridologist. It includes full iridology terminology, iris signs, and meanings in relationship to ones health, as well as health recommendations. You will also learn how to perform a professional iris analysis, as well tips for getting started with your practice You will also receive access to extensive videos for study, a copy of an IIPA certified Iridology chart that you can have printed and laminated for your practice. You will need to register for this course by emailing to receive these additional course materials, as well as to become registered as a student for certification. Iridology is the science and practice of studying patterns in the iris of the eye to understand a person s genetic characteristics. This can include identifying physical, emotional, and mental health predispositions. Iridology is a valuable tool for massage therapists, physiotherapists, chiropractors, nurses, natural and holistic health practitioners, energy healers and anyone involved in the health and well-being of others. Upon successful completion of this Course you will be able to: Identify various signs and markings in the iris and determine what potential health indications they may have for the client. Identify potential health challenges the person is genetically predisposed to and may be experiencing. This course opens the door to a rewarding career in the Natural Health Field. You will learn about the iris and its relationship to the body, as well as nutritional and lifestyle changes to help yourself and others lead a healthier and happier life. Testimonials: Georgina was very pleasant and knowledgeable. I was especially impressed with...
