Forgotten Books, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Book of Fables: With Many Engravings The fox being an animal remarkable for his cunning, and for the address with which he procures his food and avoids danger, we find him a very prominent character in the fables of Esop and others. It must be confessed, however, that many things are put to his account and laid to his charge, with which he could not have had anything to do; and I rather think that if he could be made to understand this fable, he would clear himself at once of all suspicions regarding depredations in a vineyard: a hen-house I fancy, is much more to his taste, and here his artifices and success are wonderful. However, we must let Esop tell his story in his own way, merely accomodating him with a few rhymes, which we hope will convey his meaning.
