## VOGUE ON: COCO CHANEL (HARDBACK)

Quadrille Publishing Ltd, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. Hailed as the most influential female designer of the twentieth century , Coco Chanel pioneered classic easy-to-wear fashion for the modern woman. She arrived on the fashion scene when feathers, lace and ostentatious beads were favourites, and proceeded to re-invent couture using new materials, like jersey, for outfits that were suitable for everyday wear yet still elegant. With original illustrations and images from celebrated photographers, such as Cecil Beaton, Bronwyn Cosgrave traces the story of Coco Chanel s iconic designs and glamorous, racy life. In 1921 Coco opened her Chanel boutique in Paris - still a destination store today - and launched her first perfume, Chanel No.5. Perhaps her most important contribution to the fashion world was the simple, much-imitated little black dress which made its debut in 1926. Other landmark creations include the Chanel suit and the quilted handbag. A testament to her lasting influence, these legendary designs remain as popular today as when they first appeared. Vogue, the international fashion bible, has charted the careers of designers through the decades. Its unique archive of photographs, taken by the leading photographers of the day from Cecil Beaton to Mario Testino, and original illustrations, together with its stable of highly respected fashion writers, make Vogue the most authoritative and prestigious source of reference on fashion. With a circulation of over 160,000 and a readership of over 1,400,000, no brand is better positioned to present a library on the great fashion designers of the modern age.
