Keith Blenman, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A haunting and twisted thrill ride that never lets up, not even in its final sentence. Necromantica begins as a simple fantasy-noir about two thieves plotting to break into the king s palace amidst an orc invasion. With an apocalyptic battle raging through the streets, Mornia, a necromancer elf, and her human companion, Lama, embark on a mission to steal an amulet of untold power. As the villainous duo brave increasingly impossible forces, the secrets of their past and the horrors of the kingdom unfold in a brutal tale, culminating in a shocking finale that will leave you craving more.
