Sophie Winter lives in a self-imposed cocoon - she's a single, 31-year-old translator who works from home in her one-bedroom flat. This isn't really the life she dreamed of, but then Sophie stopped believing in dreams when she was a teenager and tragedy struck her family. So, to be safe, she keeps everyone at arm's length. Sophie understands she has a problem, but recognising it and knowing how to fix it are two entirely different things. One night a serious fire breaks out in the flat below hers. Sophie is trapped in the burning building until a passer-by, Ben, sees her and rescues her. Suddenly her cocoon is shattered - what will be the consequences of this second life-changing event?.
