Charles Duhigg, author of *Smarter Faster Better* This is the remarkable behind-the-scenes story of the creation and growth of Airbnb, the online lodging platform that has become, in under a decade, the largest provider of accommodations in the world. At first just the wacky idea of cofounders Brian Chesky, Joe Gebbia, and Nathan Blecharczyk, Airbnbs 30 billion valuation is now larger than Hiltons and Marriotts. Airbnb is beloved by millions of hosts and travelers around the world. After all this success, this is the first book to fully investigate the phenomenon of Airbnb. Fortune editor Leigh Gallagher explores the success and the controversy of Airbnb. Hotel industry leaders wrestle with the disruption it has caused them, and residents and customers alike struggle with the unintended consequences of the platform. This is also the first in-depth study of Airbnbs leader, Brian Chesky, the quirky young CEO, as he steers the company into increasingly uncharted waters. This item ships from multiple locations.
