

Passenger Seat: Creating a Photographic Project from Conception through Execution in Adobe Photoshop Lightroom (Paperback)

By Julieanne Kost

Pearson Education (US), United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. In her long career as Product Evangelist for Adobe Photoshop and Lightroom, Julieanne Kost has taught thousands of digital photographers how to get the most out of Adobe's digital imaging software, in seminars, presentations, and blog posts ranging from nuts-and-bolts tips and tricks to inspirational tutorials on creating sophisticated artistic effects. As Lightroom has grown into the premier image organization and editing tool for photographers, she is often asked by her students and other fans to outline her own Lightroom workflow in a book. This is that book! Using her own stunning images as the starting point, Julieanne shares her working methods with the reader, starting from the initial idea for a photo project, continuing through planning and executing the shoots, and spending the bulk of the time describing the post-capture workflow: organizing the images in Lightroom, performing basic and advanced edits, off-loading images to Photoshop for special purposes, then packaging the project for publication and distribution as a book, slideshow, or web site. Readers will reap the benefit of Julieanne's long and deep experience with both Lightroom and Photoshop as well as...
