Reviews

*A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where it basically altered me, change the way I believe.

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Lay of the Land: A Collection of Short Stories HE was a mild old man, yet a good deal of fire still lingered in his black exes, with the snowy thatch above. He wore the blue blouse of his people, and the only thing that indicated the seafaring man was the brass hoops in his withered old ears. It was only when he began to talk that we got a whifi of the salt sea; not the sea where the gales blow big guns and tear all sentiment out of the heart of the storm, but the sapphire waters of his own southern Gulf, where the breezes bring with them the rustle of palms and the glint of sunshine on waves which rock as to a cradle song.
