Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In this book you will discover where the game of love is played, the secrets of attracting people to you, how to create instant rapport with people, what makes people fall in love, the art of successful communication - the NLP way. You should also discover the art of being incredibly interesting and where your Prince or Princess is waiting for you! One of the great humanistic psychologists of our time, Abraham Maslow, spent much of his time studying motivation and human needs. He concluded that there was an ascending order or hierarchy of needs: the first and most important need is for physical survival, or the need to carry on living. The second is the need for security: a shelter, somewhere to lay our heads and rest. The third is the need for love and belonging: to love and be loved. The fourth need is for esteem, respect and approval. The fifth is to become self-fulfilled or self-actualised: to achieve some higher purpose. IF THE FIRST THREE NEEDS ARE NOT TAKEN CARE OF OR ABSENT YOU WILL NEVER ACHIEVE MUCH MORE!.
