NYEMA: THE NORTON SISTERS SERIES, BOOK 3 (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Nyema Norton is a child psychologist, a mother, a sister, a friend, amongst other things. She has always been the type to be there to listen if you needed it or give sage advice that helped others to improve upon their lives. She has known great loss. First, her sister, then the father of her child. As such, she has chosen to guard her heart against anyone outside of her family and inner circle of friends. Nyema is perceived as the one that has it all together. James Kenyon, architect, has always been the man with no desire to have a wife and/or family of his own. He applauds his best friend for stepping out and finding love, but he wants no parts of it. James had decided to assist a friend with having a child. A simple act of kindness, a freak accident and one phone call has his world spinning. What he doesn't count on is a loss greater than one he ever thought to endure, a woman that changes his outlook and that very same woman possibly being the missing key to his healing. It helps that she has a precocious yet adorable kid, ta boot. What will happen when the two meet as counselor and patient? Will James be the breath of fresh air that she needs in order to be able to truly breathe? Will Nyema be the woman to cause him to be willing to commit to something, someone other than his company and employees? The Norton Sisters is a series about six sisters that share the same last name, but are six entirely different women. The stories of the six almost 30 to in...
